TO NATIONAL ASSEMBLY MPS
OF THE REPUBLIC OF ARMENIA

NATIONAL ASSEMBLY CHAIRMAN MR. SAMVEL NIKOYAN

MR. ARAM SAFARYAN

MR. HRAYR KARAPETYAN

MRS. LARISA ALAVERDYAN

*Honorable National Assembly Chairman,
Honorable MPs,*

On 30 September 2011, together with relatives of 8 military servicemen deceased in the armed forces we met you and represented a number of painful problems from human and legal point of view. Following your advice and request, collaborating with the relatives of the deceased servicemen for days, 8 references relating to circumstances of the death of the deceased servicemen were prepared and sent to you by 17 October 2011.

We are aware, that, being compassionate to the problems raised, you have applied to appropriate state bodies within the powers prescribed by law and received some answers.

The relatives of the deceased servicemen and me ask and anticipate your assessments and positions- before the end of the RA NA fourth convocation- by the results of these surveys with respect to existence or absence of violations in each case. Recognizing the legislative limitations of interfering with the investigation of the current cases, however, we expect a possible legal support from you to legal successors of the victims. At least, we ask you to inform the relatives of those 8 servicemen about results of our references and your surveys, as well as the current and upcoming processes.

Sincerely,

K.ANDREASYAN
